Dear Brothers and Sisters:

**Re: By-Elections in Scarborough Guildwood & Etobicoke Lakeshore**

As you are aware five Provincial by-elections will be held on August 1, 2013. These by-elections have the potential to be Provincial game-changers and are vital to the future of Ontario and in particular to members of trade unions

**The Liberal party has earned our support by keeping us employed for several years through its commitment to rebuilding Ontario's aging infrastructure.**

**Projects such as:**

- Bridgepoint Hospital
- Humber River Hospital
- Oakville Hospital
- York University, Ryerson Image Centre and Pan Am Games projects at U of T Scarborough
- The Spadina York Subway Extension
- Toronto West Detention Centre in south Etobicoke
- OPG and Solar Projects throughout Ontario.

All these projects received provincial government support, and funding, which translated into jobs for our union's members, meaning better living standards for our brothers and sisters.

Two of the by-elections take place in Toronto, so our Locals (27, 675, 1030, 1072) have the opportunity to play a major role in Ontario's political future.

Please come out and get involved in the process meeting other members and the candidates.

**In Scarborough Guildwood the Liberal candidate is Mitzie Hunter**, Mitzie understands the community and how important it is to work together. Over time she has become a lifelong citybuilder, she is fervent about unlocking the city's potential by ensuring fair and inclusive access to employment and prosperity.

**Peter Milczyn is the Liberal Candidate in Etobicoke Lakeshore** who is a strong voice for responsible city building and fiscally responsible and efficient government has been a strong advocate for increased transit infrastructure in this city and been a solid city hall supporter of the EXPO 2025 Working Group in Toronto.

This is why we are asking you and your family to join us in supporting **Mitzie Hunter** and **Peter Milczyn** and the Liberal Party on **Election Day August 1st, 2013.**

Fraternally yours,

**Mike Yorke**  
President, Local 27

**Tony Iannuzzi**  
President, Local 675

# TOP 4 REASONS THE CARPENTERS' UNION IS ENDORSING THE ONTARIO LIBERAL PARTY IN THE 2013 BY-ELECTION

## 1 Jobs, Jobs, Jobs

The Liberals have helped put thousands of Carpenters Union members to work by investing billions of dollars in rebuilding our infrastructure: hospitals, courthouses, energy plants, colleges and universities, libraries and much more across Ontario

## 2 Safer job-sites

The Liberals have made workplace health and safety a priority since 2003. By adding 200 new safety inspectors and making WSIB coverage mandatory

## 3 Open-door approach and they listen to our concerns

Over the past ten years, we have achieved a lot for our members and their families because the Liberals have an open and accessible approach to governing - Let's spend our energy working for more instead of fighting to keep what we already have

## 4 Investing in apprenticeship training

The liberals have provided union-employer training centres with funding for equipment upgrades and capital investments so that we can continue to train the next generations of skilled trades people.
